

## AP Human Geography Summer Assignment

**DUE August 31, 2018**

This year during AP Human Geography you will have a continuous country profile project. For each unit you will research the required information for your country and build the next section of your website. In addition for each unit you will find and post a current event that relates to your country and the information covered in the unit. Each unit will count as a test grade.

First things first! You must pick your country! You will be able to select from a list of countries.

- Follow this link <http://www.slyreply.com/app/sheets/inj6bi6i75nb/>
- Find the country you would like to research and sign up for it. Please note you will have the same country ALL YEAR! Only one person can select each country. Do NOT email me and ask if you can do the same country as someone else!
- If you do not see the country you would like to select, then please select the last option and e-mail Ms. Hale ([Allison M Hale@DeKalbSchoolsGA.org](mailto:Allison_M_Hale@DeKalbSchoolsGA.org)) with the country you would like to research for your project. I will let you know if it is alright.

Next create a website!

- Choose a web server. You can use Weebly.com or Google sites.
  - (Please do not use Wix since the school likes to block it and I can't view the websites!)
- Follow the directions on my sample weebly to build your website. <https://mshaleaphg.weebly.com/>
- For the summer assignment you will complete Unit 1 – General Geography. Follow the directions on the General Geography tab in order to complete your first unit.
  - Follow the directions for the unit information. Check your information against the rubric to be sure you have completed it correctly.
  - Do not copy and paste. All information must be written in your own words. Don't forget you MUST have a bibliography in MLA format. Be sure to label your bibliography.
  - You must have a current event for the first unit that relates to your country and the unit. The current event should be about a paragraph in length and must be written in your own words. You MUST include a link to the original story.

Submit your project!

- Follow this link to submit your project URL & information <https://goo.gl/forms/SBByyi8EMLdsSOsn2>
