What is Title I?

Arabia Mountain High School is identified as a Title I school as part of the Every Student Succeeds Act of 2015 (ESSA). Title I is designed to support state and local school reform efforts tied to the challenging state academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must develop with parents and family members a written parent and family engagement policy.

What is the Parent and Family Engagement Policy?

This is a policy that describes how our school will provide opportunities to improve parent and family engagement that will support student learning at school and at home. All students and their families are invited and encouraged to fully participate in the opportunities described in this policy. Our school will provide information and as many opportunities as possible for the participation of all parents and family members.

How is the policy developed and revised?

The policy is jointly developed with parents, school staff, students, and community members. It is reviewed and revised annually during Title I Stakeholder's Input Meetings. A draft of the updated policy is available for additional input during the document review period. All feedback forms from the Title I Stakeholder's Input Meetings are submitted to the Title I Office for review. Opportunities are also available for all stakeholders to provide input into the Continuous School Improvement Plan (CSIP), School-Family Compact, building capacity of school staff, and the family engagement 1% set-aside budget.

Where is the policy available?

The policy is available online on our school's Title I webpage located at www.arabiamtnhs.dekalb.k12.ga.us/. Paper copies are available upon request in the front office. Families new to our school will receive a copy during the registration process. Residential facilities (Homeless, foster care, and neglected and delinquent) in our school's attendance area are included in our parent and family engagement correspondence and activities.
