

DCSD-Students and Employees-BYOD Bring Your Own Device

1. Locate the Wi-Fi list from your settings on your device (tablet or laptop).
2. Find “DCSD-Guest-BYOD” Network. Click to connect.

3. Click **Students, faculty, staff – click here for access.**

4. Type in your login credentials. For example, e12345678 (employees) and s12345678 (students) and password in the appropriate fields. Remember, users are expected to adhere to the DCSD Acceptable Use policy.
